About Siddaganga Gurukula

As an abode of charity, Sree Siddaganga Math has been serving the society for more than a century with free education, food, and shelter to thousands of underprivileged rural children who have come from across the length and breadth of Karnataka and neighboring states, without any discrimination of caste and community. When His Holiness Dr.Sree Sree Sivakumara Swamiji assumed the full responsibility of Sree Siddaganga Math in 1941, there were about 200 students. The ceaseless and untiring effort of Sree Swamiji has resulted in the present magnitude of more than 10,000 children. Thousands of devotees are visiting Sree Math every day, who are provided free food. Sree Siddalinga Swamiji, the incumbent President of Sree Siddaganga Math has continued the services initiated and nurtured by his Guru.

About the College

Sree Siddaganga College of Arts, Science & Commerce, (SSCASC), Tumkur was founded in 1966 by Sree Siddaganga Education Society, under the patronage of Dr. Sree Sree Sivakumara Mahaswamiji. The college is affiliated to Tumkur University and approved by the University Grants Commission, New Delhi. SSCASC is a premier First Grade College in Tumkur District and it offers wide range of 5 undergraduate programs (B.A., B.Sc., B.Com., BBA and BCA), along with one postgraduate course (M.Com.) and research center in Commerce. The college enrols about 1,700 students, supported by 73 teaching faculty (08 Ph.D.) and 36 non-teaching staff, fostering a robust academic environment. The college is NAAC accredited with an 'A' grade (CGPA:3.16) in its 4th cycle (2024). The college is situated in a green, centrally located campus spanning ~2 acres. The college boasts of state-of-the-art infrastructure with smart classrooms, a large well-stacked library, well equipped labs, computer/internet access, language lab and a vivid campus life. The college has an active NSS/NCC units, various clubs (Literary, Science, Commerce club). Annual cultural fests and sports meets are being organized. Emphasis has been given on career guidance and placement. True to its roots, the college offers inclusive education to rural and economically weaker students, providing SC/ST/minority scholarships, remedial coaching, and a focus on holistic development. In a nut-shell the college is committed to social upliftment and welfare of underprivileged students.

About the Department

The Department of Bachelor of Computer Applications was established in the year 2009 affiliated to Tumkur University and approved by AICTE. The Department has consistently nurtured generations of students with a strong foundation in domain knowledge, professional competence, and ethical values. The BCA program is designed to impart a robust understanding of core computer science principles, modern programming languages and emerging technologies like AI, ML, Cyber Security etc. A team of highly qualified, experienced, and dedicated faculty members drive the department in academic mission, ensuring quality education aligned with the latest industry standards.

Conference Preamble

NCEAMBT 2025 is being organized on 26th and 27th of September 2025 at Sree Siddaganga College of Arts, Science and Commerce, Tumakuru, Karnataka. This conference provides an opportunity to bring together researchers, academicians, industry experts, innovators and students to explore the transformative potential of Artificial Intelligence and Machine Learning across diverse domains. This conference serves as a vibrant platform to exchange cutting edge ideas, present breakthrough research, showcase innovative applications, and discuss ethical, societal and policy implications of AI and ML in shaping a sustainable and intelligent future.

We invite original research articles, case studies, and project-based submissions (up to 6 pages in length) from undergraduate/postgraduate students, research scholars, faculty members, and industry professionals. All accepted papers will be published in the conference proceedings with an ISBN. Selected papers may also be recommended for

Conference Tracks

Themes include (but are not limited to):

Track 1	Emerging Trends in AI and ML
Track 2	AI applications in Healthcare, Education, Agriculture and Smart cities
Track 3	AI in Cyber Security and Data Privacy
Track 4	AI in Business, Finance and Economics
Track 5	Gaming, AR/VR, and Metaverse
Track 6	Innovations in AI : Algorithms, Models and applications

Important Dates

Paper Submission Deadline	:	25-08-2025
Acceptance Notification	:	30-08-2025
Camera-ready Submission	:	10-09-2025
